Kimseed Wilson Ripper Moulder

Category 2 Ripper Moulder

Cat 2 Moulder Series

A two-disc ripper with optional attachments including

- press wheels
- seeders
- pipe layers and
- mat layer.

The tool bar is spring mounted for **shock reduction** and disc cut width is adjustable.

Modular design allows the ripper to be used independently.

The most popular model with farmers for an **economical** and **versatile** moulder suitable for up to 130HP, 2 disc format mounted on a 3-point linkage tool bar permitting adjustable width setting.

The moulder can **operate independently** or **be mounted on a category 2 ripper** that can dig to 850mm deep.

Trailing 3 Point Linkage

A **large, heavy-duty** system for connecting to drawbar tractors when 3 point linkage equipment is to be used.

Sized to suit up to 400 hp.

Ideal for pulling ripper mowers.
